February 8, 2016

Dear Parent(s), Guardian(s) or Potential Volunteers:

The Mifflin County Academy of Science & Technology values and encourages the participation from parents, guardians and other community members as volunteers for a variety of school activities here at The Academy. In addition, we also value the safety of the students who attend The Academy from Mifflin and Juniata Counties.

In an effort to reduce the duplication of volunteer paperwork between both the Mifflin County School District and The Academy, a volunteer applicant must only complete and return the attached documents and clearances one-time.

As you will find in the attached documentation, if you have turned in the appropriate volunteer forms at the Mifflin County High School or another school where you have a child attending in Mifflin County, we, at The Academy, will be able to see your name as a cleared volunteer. If you turn in the documents to The Academy, personnel at other Mifflin County schools will be able to see your name as a cleared volunteer.

Sincerely,

Daniel T. Potutschnig
Administrative Director
