RE: Senior Recognition Night – Wednesday, May 29, 2019

Congratulations! Your child will soon complete their program of study at the Mifflin County Academy of Science & Technology. The accomplishments of the Class of 2019 will be recognized at the **50th Annual Academy Awards Night on Wednesday, May 29, 2019**. This year's program will be held at the **Mifflin County High School Auditorium** and will begin promptly at **7:00 PM**. Parents, family and friends are invited to be part of this special occasion when certificates will be received and awards will be presented to outstanding students.

My expectations are that students will represent themselves, their parents, their home schools, and The Academy in the highest regard. I know their behavior and their dress will be appropriate. Students will be issued a gown to wear for graduation which they will receive the night of the program. They are expected to wear clean, neat "dress" clothes under the gown. Young men are expected to wear a white or light colored shirt with a collar and dark pants. While suits and ties are surely acceptable; they are not required. No hats and/or work boots please. Young ladies are expected to wear dresses/skirts that are appropriate for this special event.

This is their evening, the final time that they will represent Mifflin County Academy of Science & Technology. I'm confident that their guests – parents, friends, faculty, future employers, and distinguished guests – will be impressed by their appearance, behavior and attitude.

Instructions for Graduates:

Gowns will be distributed the evening of the program and students should gather in the band room area by 6:15 PM no later than 6:30 PM to go over last minute instructions. Students must return the gown after the ceremony in order to receive their diploma.

Congratulations and best wishes!
