NOTICE TO PARENTS 56

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, “directory” information such as a student’s name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, if you do not want this directory information released, please notify in writing, Norma O’Brien, The Mifflin County Academy of Science & Technology’s Principal.

- The principal telling you what rule, regulation or policy you have broken
- The principal explaining to you, if you deny you broke the rule, why he/she believes you are guilty.
- You're being given an opportunity to tell your version of what happened.

NOTICE TO PARENTS

The Family Educational Right and Privacy Act (FERPA) (20 U.S.C. 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

INTRODUCTION

The Mifflin County Academy of Science and Technology (The Academy) offers opportunities for career and technical training. These educational programs are available to individuals who are interested and can benefit from the training received.

WELCOME

This handbook was written to welcome you and acquaint you with The Academy and its programs. It will serve as an introduction to the school, staff, curriculum, regulations, and opportunities available to you.

With the help of this handbook and our staff, we hope you will be able to work to your full potential, utilizing The Academy's facilities and opportunities afforded, to successfully complete your educational program.

PHILOSOPHY

All persons regardless of race, creed, or color have the freedom to choose the type of training and education, according to their abilities, desires, and interests that will prepare them for a productive and satisfying life.

The main objective of our school is to develop the skills and knowledge needed to enter and advance in a chosen vocation. Attitude toward other people, in respect to any individual's rights, responsibilities, privileges and the awareness of others, is of the utmost importance in any career.

Since economic goals are closely related to the other goals of life, the method to insure reasonable success in life is through occupational proficiency, or the ability to do the job. Included in the occupational proficiency or excellence are the skills of

the trade, as well as an understanding of basic and/or advanced mathematics, English, history and the physical sciences.

This school is concerned that each individual student develops to his or her fullest potential. This is best accomplished through the cooperation of the student, the parents, and the school.

MISSION STATEMENT

Prepare each student for success in tomorrow's careers.

VISION STATEMENT

For all students to excel in a technical career pathway with the confidence to face all challenges and opportunities.

SCHOOL COLORS

The school colors are Tan and Maroon.

POLICY OF NONDISCRIMINATION

The Mifflin County Academy of Science and Technology (The Academy) is committed to the maintenance of a safe, positive learning environment for all students that is free from discrimination by providing all students course offerings, counseling, assistance, services, employment and extracurricular activities without any form of discrimination, including Title IX sexual harassment. Discrimination is inconsistent with the rights of students and the educational and programmatic goals of The Academy and is prohibited at or, in the course of, Academy sponsored programs or activities, including transportation to or from The Academy or Academy sponsored activities.

committee. It is possible that a formal hearing before the operating committee will be held for the offending pupils. In addition, The Academy's Director or Principal may impose appropriate disciplinary measures which may include, but are not limited to: detention, in-school suspension, out-of-school suspension, and expulsion.

PROCEDURES OF DISCIPLINARY ACTION

The principal will conduct special assemblies during the first week of school, and thereafter as needed to review contents of the Student Handbook. Teachers will highlight certain sections of the Handbook; pupils are expected to read the entire Student Handbook. Ignorance of school regulations and policy is not a legitimate excuse when a pupil violates school rules.

Generally, Level I Misconduct will be handled by the teacher involved. If various measures to eliminate undesirable behavior prove unsuccessful, the teacher will confer with the principal for assistance.

Level II Misconduct will usually be referred directly to the principal for investigation and disposition. Level III Misconduct must be referred to the principal because of the serious nature of these violations and the possible involvement of the law enforcement officials.

DUE PROCESS

Any time a pupil's right to attend school is in jeopardy because of a misconduct offense, the basic element of due process will be followed before the pupil is barred from attending class (es) or school. An exception to the procedure would occur when the director or principal believes the offending pupil presents an immediate threat to the health, safety or welfare of himself/herself and others, in which case the suspension would be immediate and due process followed later in writing.

Due Process would involve:

property, or which pose a direct threat to the health, safety, and welfare of the violator or others.

These are essentially criminal acts and could involve the intervention of law enforcement authorities.

- Threats to school personnel
- Bomb Threats
- Harassment
- Terroristic Threats
- Selling/using/possessing/being under the influence of or aiding in the procurement of alcohol, narcotics, restricted drugs, marijuana and medication of any kind, as well as possession of drug paraphernalia
- False fire alarms
- Vandalism
- Theft
- Possession, use or transfer of dangerous weapons (knives, guns, brass knuckles, sharp metallic objects, slingshots, mace, etc.)
- Possession or sale of stolen property
- Arson
- Breaking and entering
- Sexual misconduct, sexting, molestation or rape
- Forgery
- Disruption at events held on school property or at any school-sponsored or sanctioned event
- Assault

Violation of Medication Policy (penalties under Level I and II Misconducts may be administered at the discretion of the administration or Operating Committee).

When Level III Misconducts occur, law enforcement authorities may intervene at the request of school officials. If so, this does not obviate disciplinary measures taken by school officials. Pupils may be punished by law enforcement officials and school officials, and this does not constitute double jeopardy.

Nearly every misconduct listed under Level III will be considered for a review by the Director and operating

Violations of this policy, including acts of retaliation as described in this policy, or knowingly providing false information, may result in disciplinary consequences under applicable Operating Committee policy and procedures. [18][19][20][21]

The Operating Committee declares it to be the policy of The Academy to provide to all persons equal access to all categories of employment in The Academy, regardless of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, genetic information, pregnancy or handicap/disability. The Academy shall make reasonable accommodations for identified physical and mental impairments that constitute disabilities, consistent with the requirements of federal and state laws and regulations. [1][2][3][4][5][6][7][8][9][10][11][12]

The Mifflin County Academy of Science and Technology does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities and provides equal access: to the Boy Scouts and other designated youth groups.

CLOSING OF SCHOOL DUE TO WEATHER

The Mifflin County Academy of Science and Technology will be closed only for extreme conditions. When the home school closes, students are not required to report to The Academy. Delays, early dismissals and cancellations will be communicated via The Academy website www.theacademy.net and One Call Now messaging system.

The teacher’s primary objective is to provide a well-rounded education, which will prepare students for future endeavors.

1. Promote a climate of respect and dignity designed to strengthen the self-image of each student.

CAREER & TECHNICAL STUDENT ORGANIZATIONS

Student leadership organizations are an important part of any technical training. The Academy offers its students the opportunity to join a career and technical student organization that is directly related to their area of study. Each organization has established goals that strive to develop leadership abilities through participation in educational, vocational, civic, recreation, and social activities. Each student is challenged to develop realistic occupational goals and to practice high standards in organizations.

NATIONAL TECHNICAL HONOR SOCIETY

The National Technical Honor Society currently serves approximately 200,000 members nationally, and awards over \$160,000 in scholarships to its members annually. NTHS honors the achievements of top CTE students, provides scholarships to encourage the pursuit of higher education, and cultivates excellence in today's highly competitive, skilled workforce. High performing students can be nominated by their instructors for induction into this prestigious organization.

GRADING SYSTEM

Students will receive one report card from their home high school each marking period. This will contain the student's academic grades and their grade from The Academy. Grading

categories recorded in the electronic system include: exams/quizzes, classroom assignments, performance assignments, POS assignments/projects, project-based learning, safety, student learning objectives, work ethic, and other. For the purpose of The Academy initiatives (i.e. NTHS, Fieldtrips, Students Incentives, etc), program percentage grades will be used to arrive at a 4.0 Scale using the following scale:

A = Excellent	93-100
B = Above Average	86-92
C = Average	78-85
D = Below Average (but passing)	70-77
F = Failure	Below 70
I = Incomplete	Obligations not completed

For student final transcript grades, the percentage grades are reported to the sending school districts, which will then be calculated as a letter grade according to each sending school's grading scale. The final grade issued at the end of the school year will be average of all the marking period grades.

INCOMPLETE GRADES

1. When students are absent from school, they are not exempt from academic obligations in the classroom. Upon returning to school after any absence, it is the student's responsibility to contact teachers for makeup work. A general rule is that students have one day for each day of absence to fulfill their makeup work obligations. If the back work is not completed within the allowed time and no other arrangements for an exception have been made with the teacher, the student will receive failing grades for the makeup work not turned in to the teacher.

1. Classroom incidents of defiance and lack of performance will be documented by the instructor. Instructor will communicate concerns to parents.
2. Discipline referrals will be documented and parents will be notified.
3. If inappropriate behavior continues, a parent-teacher-principal conference will be initiated with parents by principal. Sending school will be notified and invited to attend.
4. If a student continues the unacceptable behavior after an administrative conference, the student will be terminated from the program and/or The Academy.

Students who commit a serious safety violation, or represent a serious, imminent danger to other students can be removed immediately from The Academy. If a student is transferred to another Academy program, any further infractions will result in termination from The Academy without proceeding through the steps listed. In addition, students who are removed from The Academy by the sending school because of poor academic grades, attendance, or disciplinary issues and are held at the sending school for more than ten (10) school days may be removed from The Academy on the 11th missed day. This also applies to students who miss ten (10) straight school days without a valid excuse. On the 11th missed day, students can be removed from The Academy if just cause is not provided. If a student is removed from The Academy and not reenrolled, the student cannot participate in Awards Night Ceremonies or End-of-the-year activities.

DISCIPLINE POLICY

STUDENT RESPONSIBILITIES

IT IS EACH STUDENT'S RESPONSIBILITY TO REVIEW THIS BOOKLET WITH HIS/HER PARENT(S) OR GUARDIAN(S). If a student and/or his/her parent(s)/guardian(s) have any

9. Pupils who do not behave in an appropriate manner in the cafeteria will be disciplined. Loss of the cafeteria privilege may be one of the disciplines imposed.
10. Throwing food; poor manners; excessive noise; running; roughhousing; not cleaning your immediate area; failing to take containers, utensils, dishes and trays to the kitchen are not acceptable behaviors, and they will not be tolerated.

TRIPS

Students going on educational trips with vocational teachers must return a signed parent permission form prior to the trip. A field trip is an extension of the classroom and all school and shop rules and regulations apply during the trip as they apply while in school.

WORK PERMITS

Work permits must be secured at your home high school guidance office.

REMOVAL FROM THE ACADEMY

Attending the Academy is a privilege! Students who continue to disobey classroom procedures or continually fail to involve themselves with the learning activities are subject to removal from the program and/or The Academy. It is recognized that students may not have committed any serious incidents, but a pattern of defiance and lack of performance is detrimental to the learning environment.

The following procedures will be followed:

2. Incomplete grades at the end of a marking period should rarely be given because they are for students who, because of illness or injury, cannot fulfill their academic obligations. Incomplete grades are not to be given to students who have had sufficient time to do makeup work. For students qualifying to receive an incomplete grade at the end of a grading period or end of the year, there is a grace period of ten (10) school days to complete the missed work after the grading period is over. If the makeup work is not completed in the grace period, and special arrangements for an exception were not made with the teacher and principal, then the incomplete assignments revert to a failing grade.
3. When a student is absent for more than three consecutive school days, assignments may be obtained by telephoning The Academy. Arrangements may be made for someone to obtain assignments for you during your period of absence.

COOPERATIVE EDUCATION

The cooperative education program at The Academy permits senior students who have met specific requirements to be released from the school campus to work part-time or full-time for an employer. The student reports to the assigned job, which is referred to as the student's Training Site. The student/employee is a representative of the school and is expected to demonstrate professional qualities of responsibility, dependability, ethical behavior, and maturity while performing tasks for the employer. The purpose of cooperative education programs is to provide the student with competencies developed through paid, supervised, on-the-job training related to an occupational goal.

LOST AND FOUND

Articles found in or around the school building should be turned in to the office at once. Anyone who has lost an article should inquire at the main office.

OPEN HOUSE

An Open House is held annually at The Academy. Students, parents, and members of the community are invited to tour the school and to talk to the faculty and administration.

STUDENT POLICIES

ADMISSION INTO THE ACADEMY

Completed applications are submitted by April 1. Student report cards and/or transcripts are then requested to be forwarded to The Academy principal or designee for review.

The Academy's Principal or designee evaluates the student applicant in terms of his/her preferred course on the basis of the following criteria:

1. Attendance
 2. Grade Point Average
 3. Recommended Courses
 4. Essay/Questions on The Academy's Application
- **Vocational assessment is scheduled if appropriate.

If a program quota is full, students may be asked to make a second choice.

Students who fail a program for the academic year, at The Academy, will not be permitted to proceed to the next section of the class for the subsequent year. (i.e. Culinary Arts I will not

certain courses. These course requirements will be given during class orientation. Failure to follow safety regulations could result in permanent suspension from The Academy.

LUNCH PERIODS

Students are reminded of the following rules and regulations pertaining to cafeteria operation:

1. All pupils including those who carry their lunch are required to eat lunch in the cafeteria at their scheduled time.
2. The Academy observes a "closed" lunch period. Pupils may not leave the cafeteria or the school building at lunch time without permission from the principal.
3. School policy prohibits the sale of candy and other foods in the school from the beginning of the first lunch period until the end of the last lunch period.
4. When going to the cafeteria, pupils are expected to walk quietly and orderly as other classes may be in session.
5. Pupils must abide by seating arrangements which are imposed by school officials.
6. Good etiquette and manners are expected behaviors in the cafeteria. Respect is to be shown to employees of the cafeteria, custodians and professional staff.
7. Pupils are responsible for the appearance of the area in which they sit and are expected to leave their space in a neat and uncluttered condition.
8. Pupils are responsible for returning trays, dishes and silverware to the serving area after lunch. Damaged or lost dishware or utensils will be charged to responsible offenders.

- Any garment that causes a substantial disruption of the educational program is prohibited.
- Overly suggestive or revealing clothing which substantially interferes with the educational program is prohibited.
- No visible undergarments are permitted.
- Clothing must cover the midriff and may not be low cut in the neckline or arm hole.

Students have lockers to safely store personal items such as: clothing, hats, sunglasses etc. that are not to be worn at The Academy. Students should only use the locker assigned to them and should not allow others to store personal belongings in their locker.

Dress code violations will be met with progressive discipline that could range from detention up to, and including, dismissal from The Academy.

SAFETY

Students are taught safe working practices and respect for tools and equipment. However, in spite of all precautions taken, there is always the element of danger when working around machinery. It is mandatory, by state law, that goggles or safety glasses and other protective equipment are worn at all times in the shop or lab area. There are specific types of practical and/or protective clothing and other items that must be worn in

proceed to Culinary Arts II) Additionally, if the student wishes to return to The Academy in the same or a different program, they will be asked to re-apply with the rest of the first-year students in order to gain acceptance.

STUDENT RIGHTS & RESPONSIBILITIES

The Commonwealth of Pennsylvania's State Board of Education Chapter 12, identifies student rights and responsibilities. Individuals who meet their responsibilities as a student will have a successful and productive year. Section 12.2 lists these student responsibilities:

- A. Student responsibilities include regular school attendance, conscientious effort in classroom work, and conformance to school rules and regulations. Most of all, students share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.
- B. No student has the right to interfere with the education of his/her fellow students. It is the responsibility of each student to respect the rights of teachers, students, administrators, and all others who are involved in the educational process.
- C. Students should express their ideas and opinions in a respectful manner.
- D. It is the responsibility of the students to conform to the following:
 1. Understand all rules, regulations, and safety procedures for all classroom and shop areas, and conduct themselves in accordance with them. Students should assume that, until a rule, regulation, or safety procedure

is waived, altered, or repealed in writing, it remains in effect. Follow the safety procedures outlined by the instructor for using all shop equipment.

2. Volunteer information in matters relating to health, safety and welfare of the school community and the protection of school property.
3. Dress to meet fair standards of safety and health and not to cause substantial disruption to the educational process.
4. Assist the school staff in operating a safe school for all students enrolled therein.
5. Comply with Commonwealth and local laws.
6. Exercise proper care when using public facilities and equipment.
7. Attend school daily and be on time for all classes and other school functions.
8. Complete make up work when absent from school.
9. Pursue and attempt to complete satisfactorily the courses of study prescribed by Commonwealth and local school authorities.

ACCESS TO SUPPORT SERVICES

Support services at the Mifflin County Academy of Science and Technology are provided for students through cooperation between the faculty and staff at The Academy and sending schools. The Academy works with the local school districts to set up appropriate services for students to be successful in their chosen program of study. While at The Academy, students have access to an in-house learning support teacher in a resource room where students can go for assistance as needed. The learning support teacher from The Academy provides information to the sending school teachers, to aide in the development of IEPs, and attends IEP meetings throughout the school year to ensure that appropriate accommodations are

and telephone numbers so that school records can be kept up-to-date.

This updated information is especially valuable in case of an emergency at school that would require school personnel to contact someone at a student's home.

VANDALISM

All classrooms and shops are furnished with industrial equipment. We assume that each individual will have enough pride in the school to handle each piece of furniture or equipment as carefully as he/she would handle his/her own valued possessions. A student caught damaging or willfully destroying school property will be subjected to disciplinary action and be required to pay for such damage.

PERSONAL APPEARANCE/DRESS

The Mifflin County Academy of Science and Technology is an advanced career preparation institution whose goal is to ensure students are ready for the workforce and for the rigors of post-secondary education. The world of work and every career we train for, at The Academy, has expectations of appearance. To that end, The Academy has determined a reasonable dress code for students to be worn at all times. Students will not be permitted to participate in laboratory/shop activities if they do not meet the uniform requirements spelled out at the beginning of the course. This includes the use of safety eyeglasses, goggles, or hearing protection. Mirrored or shaded safety glasses are unacceptable.

Each program at The Academy has a uniform. Students are expected to comply with the reasonable expectations of dress for their respective program, this includes cleanliness and proper fit. Students are expected to comply with the following directives:

LOCKERS

Each student will be issued a lock and locker during the first week of school. The locks are to be kept on the lockers at all times. The student must not exchange lockers or locks or share lockers with any other student. The student is responsible for the contents of his/her locker.

Lockers are considered public property that is loaned to the students for school use. School authorities have the right to inspect lockers at any time to ensure the health, safety, or welfare of the students and the school.

Valuables are not to be kept in the student's locker. If the student has the need to bring valuables to The Academy, they must be turned in at the office for security. The Academy is not responsible for items stolen from an unsecured locker.

If locks are lost or stolen, the student must purchase a replacement in the office, at a charge of \$10.

All lockers must be emptied to prepare for summer cleaning. At the end of each school year students will be instructed to go to their lockers and open them. The instructor will then inspect each locker at that time to make sure there are no item(s) left behind. Any items in lockers on this day will need to be removed and taken home or arrangements made for items to be picked up. Any items left behind will be recycled, donated or thrown out.

CHANGE OF NAME, ADDRESS & TELEPHONE NUMBER

Students must notify his/her home school and The Academy office immediately to report changes in their names, addresses

being implemented. Program instructors at The Academy work closely with the learning support teacher to provide accommodations to students who require specially designed instruction as listed in their IEPs.

All Academy students have access to our career coach. The career coach helps cultivate students' understanding of the process necessary to obtain their career goals, encourage and advise students as they complete career assessments and helps students navigate their post-graduation education and career paths. Our career coach serves as the "missing link" between schools, businesses, and community leaders through networking with the local chamber of commerce, regional workforce development councils, etc.

SCHOOL INSURANCE

It is our hope that students will avail themselves of the school's insurance program at their respective high schools. It is not mandatory that a student have insurance, but it is trusted that each student is covered, either by his/her parents' insurance where they work or by the school insurance program offered through his/her home high school. The school is not responsible for any doctor or hospital bills that may be incurred if the student is sent to the hospital or doctor in any emergency that could arise here at the school.

ELECTRONIC DEVICES / CELL PHONES

Students at The Academy are permitted to carry Electronic Devices during the school day. Electronic Device means any device that a student is in possession of which electronically communicates, sends, receives, stores, reproduces or displays voice and/or text communication or data. These include, but are not limited to cellular phones, iPods, pagers, smart phones,

music and media players, gaming devices, tablets, laptop computers and digital assistants.

The following rules, regulations and guidelines will be followed at all times:

- Electronic Devices must be turned off or silenced during instructional time in all classes.
- Electronic Devices may be used at lunch. The content must be school appropriate and may be viewed by school personnel if reasonable suspicion exists that the content may be meant to threaten, harass, bully another student or staff member, cheating is occurring or inappropriate pictures or material are being sent or shared.

- Electronic Device use in restrooms strictly forbidden at all times.
- The use of Electronic Devices in the Nurse's Suite is prohibited.
- Earbuds, Headphones, etc. are not permitted in the halls. Listening Devices must be removed from and stored in backpacks or placed with materials when in the hallways.

The Electronic Device violations will be dealt with in the following manner:

- The use of Electronic Devices in class will result in a day of ISS for the first offense. If the nature of the content is lewd, harassing in nature or criminal additional punishments will be pursued in conjunction with the student code of conduct. (Repeated offenses will result in harsher punishment which may include more ISS time, loss of privileges or other forms of punishment deemed appropriate by administration).
- An Electronic Device that goes off (student receives a text, call, alert or notification during class and the device is not off or silenced) will result in further disciplinary

ARRIVAL/DEPARTURE

Entry and exit shall be from the front of the building. Students arriving shall proceed directly to their respective classrooms. Upon dismissal, all students are to proceed directly to the buses in an orderly manner.

BOOKS AND SCHOOL PROPERTY

At the beginning of each year, students are loaned textbooks and school supplies/tools. Throughout the year reference books are available for students' use. These textbooks and/or reference books should be treated with care.

Books are expected to be returned to the school in the same condition as they were issued, less normal wear. Lost or mutilated books must be paid for by the student to whom they were issued. The Academy reserves the right to withhold grades from students who do not return or pay for lost books.

HALL PASSAGE

To make the best use of time, students are allowed a brief amount of time to go from class to class during the day. Students should proceed to the next assigned area or room in the most direct route. If there is a need to go to the restroom, another room, or the office, permission should be received from the teacher of the class to which the student is going.

FOR SAFETY OF ALL, ACTIONS SUCH AS RUNNING, PUSHING, SHOVING AND TRIPPING ARE NOT ALLOWED. IN ADDITION, KISSING, HUGGING AND EMBRACING ARE NOT ACCEPTABLE BEHAVIORS IN SCHOOL OR AT SCHOOL ACTIVITIES.

EXCUSES

Students who are absent from school will need **TWO EXCUSES one written excuse to the home school and one to office personnel at The Academy.**

EARLY EXCUSES/LATE ARRIVAL

Students who arrive late to school or leave early due to an appointment must sign-in in the main office prior to reporting for class or leaving the building. Failure to sign in or out will result in progressive discipline.

ACCIDENTS, ILLNESS AND MEDICATIONS

All accidents, regardless of their size or nature, must be reported immediately to the person in charge or The Academy office. An accident report must be completed by the person in charge and given to the Principal. Within one day of the accident, a copy of this report must be filed in The Academy office.

Any student who becomes ill during the school day should request an excuse from the teacher in charge and then report directly to The Academy office. If a student's illness requires that he/she go home, the parent/guardian will be contacted by the **Healthroom Aide**, not the student to arrange transportation.

All students who are required to take prescribed medications during the school day must bring authorization for such, along with the medication, to the Healthroom Aide in the main office. All medications will be stored in the office. Students will be given a pass to return to the office to take the medication at the proper time.

measures including but not limited to: detention, ISS, loss of phone privileges, or other measures.

Parents and students are reminded that the intention of this policy is not to limit contact among families. Parents may call the school's main office to have important messages forwarded to students. Students may also, with permission, utilize the office phones.

FOOD/BEVERAGE

All drink containers (bottle/can) of soda or non-carbonated drinks brought in for lunch consumption must be sealed when entering the building. Students may not eat or drink in the hallways, classrooms, and technical areas. Bottled water in a transparent container may be carried and consumed throughout the school day.

STUDENT DRUG AND ALCOHOL POLICY

(Ref. Mifflin County Academy of Science and Technology policy No.227)

It is the intent of the The Academy to prevent misuse and abuse of restrictive drug and alcoholic substances, including inhalants of any kind, within the district and to provide positive behavioral alternatives to drug and alcohol-influenced lifestyles. The policy is not restricted to prohibition. A basic

tenet is that the selling, using, possession, transferring, or being under the influence of controlled substances prohibited by federal and state law, look-alike drugs, alcoholic beverages, anabolic steroids, narcotics, hallucinogens, inhalants, or restrictive drugs by students on school property or at any school-sponsored activities anywhere is a violation of the law Act 211 of 1990 and this policy. Possession of drug paraphernalia is also a violation.

If based on the student's behavior, medical symptoms, vital signs or other observable factors, the Principal has reasonable suspicion that the student is under the influence of a controlled substance, the student may be required to submit to drug or alcohol testing. The testing may include but is not limited to the analysis of blood, urine, saliva, or the administration of a Breathalyzer test.

RESPONSIBILITIES OF THE STUDENT

1. The student is expected to be knowledgeable of The Academy's Drug and Alcohol Policy.
2. The student shall be aware of the availability of counseling and support systems provided by The Academy, directly or indirectly, for himself/herself or friends.
3. The student shall be aware of the right to confidentiality when he or she seeks assistance voluntarily for drug problems and prior to getting into trouble at school. This right includes the withholding of any information about his or her situation and its treatment from any persons, including parents, unless the student grants authorization.

RESPONSIBILITIES OF THE SCHOOL DISTRICT

1. EDUCATION

a. The Academy will educate its students, staff, and administration about students' rights to confidential counseling and to the procedures listed below should intervention be required.

2. INTERVENTION

a. An emergency situation related to drug use shall be recognized and treated as a medical emergency. All standard medical emergency procedures shall be followed and

include a telephone number so that the early dismissal can be verified.

Any student who misses the bus at the home high school must report to his/her home school office. Any student who misses the bus at The Academy must report to the main office. No hitchhiking or walking to or from The Academy will be permitted. Students who miss the bus will be responsible for securing their own transportation. Any absence due to missing the bus will be recorded as an unexcused absence. Repeated offenses will be treated with progressive discipline.

All students going to and from The Academy shall use the transportation provided by the school. The only exception to this policy is granted to students that have been issued a special driving permit.

ABSENCE/TARDINESS

Students should contact their teacher immediately upon returning from absence. Students have one day for every day absent to make up work. Make up work will be assigned to supplement the work missed during the student's absence. The responsibility lies with the student to request assignments for the make-up work. Make up assignments are to be completed at home and not during the time the student is in school.

Students arriving at school after the class starting time must report to the main office upon entering the building and sign in. Students will not be admitted to class, when tardy, without a late admission pass from the office. Upon receiving a late pass students must go directly to shop.

Attendance is part of each student's Daily grade. Failure to adhere to the attendance policy will have an impact on the students marking period grade.

The Public School Code of 1949, Sec. 1327 mandates that “Every child of compulsory school age having a legal residence in the Commonwealth of Pennsylvania is required to attend a day school in which the subject and activities prescribed by the standards of the State Board of Education are taught in the English language.” Persons who are in violation of the Compulsory School Act by accumulating excessive illegal absences, more than three per year, could on a summary conviction be sentenced to pay a fine plus costs and/or be confined to the county jail for a period not exceeding five days.

Attendance is one of the most important obligations while enrolled at The Academy. Regular attendance is necessary for satisfactory achievement in the classroom as well as on the job. Poor attendance habits that are carried over to the job often cause failure or dismissal. Poor attendance in school could prevent you from obtaining a good recommendation for a job.

If a student is absent from school due to an unavoidable circumstance, he/she is required by law to present, within three days immediately following the absence, **an excuse to the home school and The Academy office** explaining the absence signed by his/her parents/guardian or doctor. If the excuse is not presented within a three-day period, the absence is recorded as illegal. Students are advised to review the attendance policies of their home schools.

If it is necessary for a student to be excused during school hours, a written excuse from the student’s parent/guardian must be presented to The Academy attendance office **one day** prior to the excused day.

No early dismissal will be approved unless an emergency condition exists. An attempt should be made to schedule all appointments during non-school hours. All requests must

parents/guardians will be immediately notified of the emergency.

b. Any incident of actual or suspected violation of the policy will be reported to the Principal or other person in charge by the person observing such use or possession or suspecting a student of being under the influence of drugs or alcohol.

c. The Principal will immediately report details of the incident to his/her direct supervisor, who in turn, will immediately report the incident to the district superintendent.

d. Any student who violates The Academy’s Drug and Alcohol or Medication Policy automatically waives any right to confidentiality.

e. The Principal or other person in charge who believes the policy of the school district has been violated, will conduct a preliminary hearing telling the student what he or she did wrong and what the assigned discipline will be. The Principal or other person in charge will allow the student to comment or give his/her side of the story. After the preliminary hearing is held and the Principal or other person in charge believes the policy was violated, an out-of-school suspension will be ordered.

f. If necessary, an informal hearing will be held for the student and the, Director, Principal, parents, student, and a representative of the superintendent will be invited to attend.

g. Pending the outcome of the informal hearing, a formal hearing before a student hearing committee appointed by the Operating Committee within ten school days may be held.

3. REHABILITATION AND SUPPORT

a. It shall be the responsibility of The Academy to participate in the ongoing development of programs offering counseling, support, and discipline on behalf of the students. Students will be directed by the Operating Committee or administration to undergo evaluation, counseling, rehabilitation, or therapy. This process begins by referral of the student to their school’s Student Assistance Team for an evaluation by a drug and alcohol counselor. The student may be directed to receive counseling and rehabilitation outside of The Academy, and at the expense of the parents, as a condition for readmission to school. Noncompliance with Operating Committee directives

will result in expulsion from school until conditions are met pursuant to Chapter 12, Student Rights and Responsibilities, and the Individuals with Disabilities Act (I.D.E.A.)

b. One requirement for the student's readmission may be a drug test at the expense of the parents.

c. A student voluntarily seeking support is not subject to disciplinary action unless previous charges have been filed.

4. DISCIPLINE POLICY: DRUGS AND ALCOHOL

This violation is a Level 3 misconduct which may require a hearing before the Operating Committee and a referral to their sending schools Student Assistance Program for evaluation.

5. DETECTION OF CONTROLLED SUBSTANCES

a. Philosophy

1. Since the use of controlled substances is a real and present danger to young people, the Operating Committee hereby implements the following program to assist school personnel in the detection of controlled substances:

(a) The detection program shall be under the control and supervision of the Director and his/her designees including The Academy's Principal.

(b) Detection may result from information received from other students, teachers, other employees and citizens of the community.

(c) Detection may result from a general inspection of school premises by the Director or his/her designees, which may include the utilization of trained dogs.

(d) Guidelines for use of trained dogs are:

(1) Use of trained dogs will be under the control of the administration. The dogs and handler will be accompanied by an administrator and one other school district employee. The dog handler will provide the school The Academy with a rider on his/her insurance policy to indemnify the district in the event of any liability arising from the use of the trained dogs.

(2) Trained dogs may be used on all Academy property at the discretion of the administration. The administration shall inspect school lockers and parking lots. Individual school desks and other areas may be inspected as well.

(3) Inspections will be unannounced.

Disciplinary action will include referral of violations to the home school. The disciplinary sanctions of the home school will be enforced in cooperation with The Academy.

DRIVING POLICY

Students given permission to drive must complete a driving application and display the parking permit on the rear view mirror. Students must park in their assigned space, failure to do so will result in disciplinary action that may include detention, out of school suspension, suspension/loss of parking privileges, and/or a ticket from law enforcement.

If a student should miss the bus to The Academy, that student must report to the home school principal to make arrangements to get to The Academy. **Under no circumstances should students take it upon themselves to drive/ride to The Academy without permission.**

This policy is not intended to interfere with such relationships or to limit activities that are normally consistent with such relationships. Adults are strongly encouraged to maintain professional boundaries appropriate to the nature of the activity.

It is understood that many adults are involved in various other roles in the community through nonschool-related civic, religious, athletic, scouting or other organizations and programs whose participants may include center (school) students. Such community involvement is commendable, and this policy is not intended to interfere with or restrict an adult's ability to serve in those roles. However, adults are strongly encouraged to maintain professional boundaries appropriate to the nature of the activity with regard to all youth with whom they interact in the course of their community involvement.

TOBACCO CONTROL POLICY

PURPOSE: The Operating Committee of The Academy recognizes that smoking or use of other forms of tobacco presents a health hazard which can have serious consequences for both the smoker and non-smoker. Further, Act of December 21, 1988, P.L. 1315, No. 168, requires the establishment of committee policy to enforce the prohibition of tobacco use.
