2026-2027

Parking at the Academy is very restricted because there are a limited number of spaces available. To be as fair and equitable about allotting passes for the remaining spaces, we will utilize the following procedure:

Priority will fall in the following order:

1. Students involved in the Academy's Co-op Program and in clinicals in the Cosmetology Program will be given first priority.
2. Students who are enrolled fulltime in an online program through either school district and don't to go their perspective high school.
3. Homeschool students
4. Students who have documentation from their employer (in writing) that their required start time would require that they the leave from The Academy to get to their place of employment.
5. Daily passes will be allotted for documented needs (i.e. doctor appointment, ect.)- appropriate forms, located in the office, need to be filled out.

Student drivers are expected to drive respectfully and responsibly on campus and on the trip to the Academy from the high school. Student drivers must come directly to the Academy from the high school and not permitted to make ANY stops along the way. Students are not permitted to transport other students unless proper paperwork is on file with the Academy Office prior to transporting. Parking passes can be revoked by administration for any abuses of the privilege and applicable infractions outlined in the Academy's student handbook.
